Safety

Safety in construction is fluid due to continually changing conditions on jobsites as work progresses. DTS addresses potential hazards before they become issues, maintaining safety standards in our operations. Safety does not just happen; it is part of DTS' corporate culture. We constantly seek ways to improve our performance, and our safety record is evidence of our success.

Shared Services

DTS is part of Doyon Government Group (DGG), a collection of five Small Business General Contractors created to provide construction services for the federal government. DGG utilizes a Shared Services Group which consists of approximately 30 personnel in Accounting, Contract Administration, Human Resources, IT, and Legal Services, and nearly 100 sister company Subject Matter Experts in government project execution.

SMEs include:

- Project Managers
- Corporate and Site Quality Control Managers
- Corporate and Site Safety Officers
- Project Engineers
- Superintendents
- Project Coordinators
- Equipment Operators
- Carpenters

Discriminators

DTS has unique benefits that set it apart from other companies including:

- As a Tribal entity, DTS is a certified Small Disadvantaged Business (SDB), offering subcontract advantages.
- SDB and Native American credits are available with DTS as a Prime Contractor.
- Exemption from \$3.5M threshold for services contract.
- 5-year direct sole-source awards can be made up to \$100M.

8(a) Sole-Source Contracting

8(a) Sole-Source contracting to Doyon Technical Services (DTS) allows the government to spend less time on contracting and more time on mission critical tasks. DTS will provide faster response times, transparent estimating and operations, and reliable customer service.

Advantages

1. Agencies have more flexibility in project budgets and work scopes.
 - a. Transparent estimating for fair and reasonable pricing.
 - b. Transparent operations from a qualified and responsive team.
2. The procurement process is significantly less complex, and awards can be made in less time.
 - a. Previous experience and performance are known, reducing the pre-bid qualification process.
 - b. Awards cannot be protested reducing post-bid delays.
3. Agencies can negotiate directly with 8(a) firms, offering the government the best value in shorter timeframes with lower administrative costs.
