Who we Are

Doyon Technical Services, LLC (DTS) is a Minority-Owned, 8(a) Small Disadvantaged Business and subsidiary of Doyon Government Group, a subsidiary of Doyon, Limited, an Alaska Native Corporation (ANC). Doyon Technical Services started as a construction entity and operates under the same commitment to safety, quality, and schedule as its sister construction companies. DTS' solid subcontractor and customer relationship have allowed the firm to expand into the procurement and supply of energy-related equipment and materials, receiving its first order of 28 steel poles and anchor bolts in September 2023. DTS will continue to develop its relationships to provide excellent customer service under NAICS Code 332312 Fabricated Structural Metal Manufacturing and other related NAICS.

8(a) Sole-Source Contracting

8(a) Sole-Source contracting to Doyon Technical Services (DTS) allows the government to spend less time on contracting and more time on mission critical tasks. DTS will provide faster response times, transparent estimating and operations, and reliable customer service.

Advantages

1. Agencies have more flexibility in project budgets and work scopes.
 - a. Transparent estimating for fair and reasonable pricing.
 - b. Transparent operations from a qualified and responsive team.
2. The procurement process is significantly less complex, and awards can be made in less time.
 - a. Previous experience and performance are known, reducing the pre-bid qualification process.
 - b. Awards cannot be protested reducing post-bid delays.
3. Agencies can negotiate directly with 8(a) firms, offering the government the best value in shorter timeframes with lower administrative costs.
