Safety

Safety in construction is fluid due to continually changing conditions on jobsites as work progresses. DMS addresses potential hazards before they become issues, maintaining safety standards in our operations. Safety does not just happen; it is part of DMS' corporate culture. We constantly seek ways to improve our performance, and our safety record is evidence of our success.

Teaming

DMS has relationships with several nationally-recognized Architects and Engineers experienced in government construction and design-build project delivery, and uses a database of over 6,000 pre-qualified subcontractors for construction work.

Shared Services

DMS is one of Doyon Government Group (DGG), a collection of five Small Business General Contractors created to provide construction services for the federal government. DGG utilizes a Shared Services Group which consists of approximately 30 personnel in Accounting, Contract Administration, Human Resources, IT, and Legal Services, and nearly 100 sister company Subject Matter Experts in government project execution.

Subject Matter Experts (SMEs) include:

- Project Managers
- Corporate and Site Quality Control Managers
- Corporate and Site Safety Officers
- Project Engineers
- Superintendents
- Project Coordinators
- Equipment Operators
- Carpenters

Discriminators

DMS has unique benefits that set it apart from other companies including:

- As a Tribal entity, DMS is a certified Small Disadvantaged Business (SDB), offering subcontract advantages.
- SDB and Native American credits are available with DMS as a Prime Contractor.
