## Who we Are

Doyon Technical Services, LLC (DTS) is a Minority-Owned, 8(a) Small Disadvantaged Business and subsidiary of Doyon Government Group, a subsidiary of Doyon, Limited, an Alaska Native Corporation (ANC). Doyon Technical Services started as a construction subsidiary and continues to operate under the same commitment to safety, quality, and schedule. Our solid subcontractor and customer relationship allowed us to expand into procurement and supply, completing our first order of 28 steel poles and anchor bolts this year.

DTS has secured its first procurement indefinite delivery indefinite quantity (IDIQ) contract for the Western Area Power Administration to supply Mitsubishi Power Equipment Circuit Breakers for the Rocky Mountain and Upper Great Plains regions.

## 8(a) Sole-Source Contracting

8(a) Sole-Source contracting to Doyon Technical Services (DTS) allows the government to spend less time on contracting and more time on mission critical tasks. DTS will provide faster response times, transparent estimating and operations, and reliable customer service.

### Advantages

1. Agencies have more flexibility in project budgets and work scopes.
  - a. Transparent estimating for fair and reasonable pricing.
  - b. Transparent operations from a qualified and responsive team.
2. The procurement process is significantly less complex, and awards can be made in less time.
  - a. Previous experience and performance are known, reducing the pre-bid qualification process.
  - b. Awards cannot be protested reducing post-bid delays.
3. Agencies can negotiate directly with 8(a) firms, offering the government the best value in shorter timeframes with lower administrative costs.
